St. Louis, Missouri

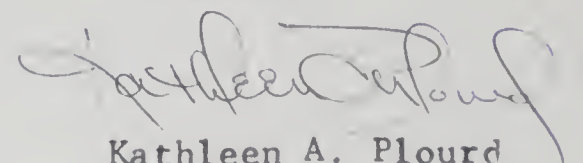

Dear Mr. Newman,

I am very happy to learn from the ANS that you will present their views concerning the inventory and appraisal of our collection. Enclosed is the general inventory you requested.

I have found a two volume bound set of catalogues made by Mitchelson of his collection. Volume 1 is a listing of foreign coins and volume 2, U.S. coins. The third volume on Colonial is missing. Each book is approximately three inches thick so duplication is not possible.

Thank you for your interest.

Sincerely,

Kathleen A. Plourd
Assistant Director
